

# Kindergarten Transition Facilities Committee

## MINUTES

December 10, 2013, 4:00 p.m.

Willow Conference Room

**Agenda Distributed-** (ATTACHMENT A)

**Scott Rose, DLR Group-** reviewed

**Plan A- Creating new space-** a layout showing a 1350 sq ft classroom for approx 24 students. 1350 sq ft is the new standard size for kindergarten rooms. and he wanted to give flexibility in how teachers set up their room. He discussed various floorings.

**Plan B- Bring in Modulars**

1. Scott asked for a current room count; Central- 0 empty classrooms, can make adjustments for 3 rooms, GW- 0 empty rooms, move counseling into 1 and bump music to 1, ICE- ) available, bump music and 3 specialists to modular= $\frac{1}{2}$  room each, Willow- 4 rooms, can free up 4 by moving District Office.

Also spoke on creating “zones”- furnishings- loose or built in, paint graphics/signage and technology needs.

#1 motivation to move out to neighborhood

Better Support Staff

Title 1-currently running 4 programs on a shoestring--move back then can allocated money to 3 schools

Downside- Willow does not have a longevity-old building

Scott Rose will update budgets for the 1350 sq ft rooms for the next SFPC Meeting.

Meeting Adjourned: 5:10 p.m. This is the last meeting of this committee.
